Any reports and documents related to a Dan Ernest Neal. I believe he was born 6/28/1952. Thank you! Also, if you could consider a fee waiver for zero documented income with the state via HUD & SNAP, as well as a disability case, preventing me from unemployment as well as unemployment, I would appreciate it. I research and I'm training for investigating licensing documenting hours. So I've exacerbated my reach via OSINT I believe. I'm just trying to collect data. It's a person of interest.

Request #PRR-2025-632

According to Dan Ernest Neal's website on WordPress, he was a public defender for the municipal court - operating under his law firm. I already did a public record request for Dan Ernest Neal thru your department, and I was told there wasn't any records. I'm not sure why there were not, considering he was active public defender. If there were an exemption , aren't I to be notified? I am requesting all "Neal & Eng" records and all "Neal Dan E Atty" records. You have to have something on him, considering he was public defender from municipal court in Eugene. Dan E Neal, Dan Ernest Neal. So let's try again, shall we? Also, both of those businesses were not actually legitimate, even though he operates as if they are. Neal & Eng only became so in 2019, via State registered business 7 years after his law partner died- Fern Eng, 12 years after his EIN. Anyways, it doesn't seem like anybody really knows or pays attention, I guess everyone just keeps their head down. I say- the more data the better! Oh yes, I'm also requesting a fee waiver considering I have zero state documented income. Whatever proof you need of that I can give.

Dear Sierra V. Carbary,

Thank you for your recent public records request.

After careful review, the Eugene Municipal Court was unable to locate any records responsive to your request. We understand this may be disappointing, and we sincerely apologize for any inconvenience this may cause.

At this time, the City considers this request closed. If you believe there may be additional details that could help clarify or narrow the scope of your request, you are welcome to submit a new public records request with that information.

Thank you for your understanding.

Description of Request (Please try to be as specific as possible about the public record(s) you are seeking. For example, asking for “any and all” documents relating to a particular subject or multiple criteria may require a substantial amount of staff time to locate, compile, review and produce, may lead to a vast number of responsive documents, and may represent a significant cost to the requestor.)

DEPARTMENT: Building & Permits I am not seeking a a “particular subject” with “multiple criteria”. Therefore, it should not require a “substantial amount of time to locate, compile, review, and produce responsive documents” and should not reflect a “significant cost to the requestor”. I research and am training for investigating licensing, so I just am trying to collect the data. I can review the data accordingly as I continue researching. I also would like to request a

fee waiver if I may, due to zero documented state income via HUD and SNAP. I'm also in a disability case at the moment preventing me from both unemployment and employment. I understand if you can't completely waive the fee , but if you could, please consider I would appreciate. I believe the records are for the benefit of the public and should be reflected in the portal for archived requests. Thanks.
